

## **How to register for experiential learning workshop?**

All students (w.e.f. October '09 batch) can avail benefit of attending two days workshop and secure additional bonus marks out of 50. These marks get added in the over all total of first year subjects. Institute invites students in batches as per their roll numbers sequence by making phone calls 3-4 days in advance of a workshop. Students are required to give their confirmation and attend the workshop. Normally, students can expect a call from institute, after 3-4 months of joining the course.

**In case, a student is not able to attend the workshop he/she loses the opportunity to secure bonus marks. Also if the students confirms a date for Workshop and subsequently alters his/her dates, he/she may lose few marks on this account.**
