

Notice for Placement

Company Name: **FIT360 KIDS HEALTH & FITNESS PVT LTD**

Position: **MARKETING EXECUTIVES**

Company Background / About Company:

FIT360 is based on a unique concept, where a team of highly experienced Physiotherapists, Occupational Therapists and interdisciplinary experts have come together to understand the fitness-related challenges amongst children. In order to address such issues, and to inculcate healthy habits early on, we have developed a unique 360° fitness program that promotes all-round fitness and imparts skills for a healthy mind and body. They focus on aspects such as balance, strength, co-ordination, brain exercises, which they believe are significant elements that define the formative years.

Job Profile:

- To identify potential clients for the growth of the business
- To conduct research and groundwork relevant to the business profile
- To understand and present the company's business in a professional manner
- To communicate and co-ordinate with the company management, and external parties, whenever required
- To assist the company in planning and strategising for the growth of the business
- Follow-up with existing clients as and when required
- Deft working both in a small group or as an individual

Skills:

- Excellent communication and presentation skills
- Excellent time management, an individual who thrives on working autonomously
- Strong co-ordination and analytical skills, and managerial abilities

Required Qualification: Degree / Diploma in Marketing Management

Experience: 2 – 3 years

Remuneration: Commensurate with experience
