Company Profile:

Mundra Group has successfully spawned wings across 8 domains and has set a new benchmark in all its operation. We have started our operations in 1982 as a family owned business and now we have become a mammoth group that is recognized across the country for wide range of services.

Mundra Group successfully established its position as an industry leader by building a diverse portfolio that includes operations in the transportation sector, trading sector, industrial and residential construction sectors (manufacturing & distribution of building materials), hospitality sector, and serving as a Clearing & Forwarding Agents to big Industrial houses and conglomerates alike, manufacturing of Industrial bags (Jumbop Bags & Small Sacks).

Silvassa Woven sacks Pvt. Ltd. was started by the Mundra group to strengthen the portfolio. Through its diversification and modernization program, the company has entered into a niche market with PP Woven Sacks, Jumbo Bags manufacturing which are most suitable for packing products like fertilizer, cement, sand, food grains, sugar, cattle feed, food, garments, electronics, pharmaceutical products and many more.

Silvassa Woven Sacks Pvt Ltd, is the largest manufacturer and exporter of Flexible Intermediate Bulk Containers (FIBCs / Jumbo Bags & small Bags) based in Silvassa (India), facilities are spread over 500,000 square meter around two major Ports in India (i.e.; Nhavasheva Port by 140 kms & Hazira Port by 90 kms).

We are ISO 9001, 22000, 14001 and HACCP certified company, established in the year 2011 with a production capacity of 1550 metric tons per month (including Clean Room). The company is promoted by one of the leading groups, the Mundra Group.

Our facility consists of raw material stage to finished products warehouse viz extrusion, weaving, coating, liner, finishing etc.

Our Products:

- BIG BAGS/ Jumbo Bags: (We can also offer all types of BAFFLE BAGS), Type A,
- PP Woven Sacks : WPP Laminated, WPP Unlaminated , WPP bag with liner
- Container Liner
- PP Woven Fabric : Laminated , Unlaminated

Presently we cater to Ethiopia, Djibouti, Zambia, Zimbabwe, Lusaka, Netherlands, Italy, Hamburg, Switzerland, South Africa, Australia, Russia, UAE, Japan & South Korea region. The main market for the bags manufactured here are for packing all types of Fertilizers, Sugar, Flour, Grains, Animal feeds, Seeds, Cement, Food, Ice, Charcoal, Salt, Chemical, Rice, etc.

Our endeavour is to develop reliable, durable and cost-effective packaging solutions to the industries. We provide a one-stop solution for PP Woven Sack & Bulk Bag Products. End to end Integration allowing for complete control of Quality, Technical Services, Design, Manufacturing, and Deliveries.

Our Vision:

Trust is our mantra in everything we do! At Silvassa Woven Sacks Private Limited we strive to be the new generation of global leaders and solution providers for FIBC supply chain. A sincere partner committed to share our unique and diverse resources to contribute to our customer's growth and set new benchmarks towards a sustainable and brighter future!

Our Mission:

We are committed to support our customers in their growth journey with unmatched product quality at reasonable prices. Through persistent innovation and extraordinary customer service we strive to be a dependable partner in the changing industrial landscape and deliver a little more than our customer expectations.
